GENERAL REGULATIONS

INTRODUCTION

Article 100 - General Regulations and Sport Rules

1. The General Regulations (GRs) are established so that individual Athletes and teams of Athletes from different National Federations (NFs) may compete against each other under fair and equal conditions with the Welfare of Horse as paramount.
2. The GRs and Sport Rules govern the conduct of all International Equestrian Events organised by NFs or by or on behalf of the Fédération Equestre Internationale (FEI).
3. The GRs are published under the authority of the General Assembly.
4. Sport Rules are published under the authority of the General Assembly whereas Sport Rules for Series, Olympic Regulations for Equestrian Events at Olympic Games, and Paralympic Regulations for Equestrian Events at Paralympic Games are published under the authority of the Bureau.
5. To be considered for proposal to the General Assembly as an added FEI Discipline and to be governed by these GRs the activity in question must be practised by a minimum of thirty (30) NFs from at least four (4) geographical groups with a total participation of a minimum of ten thousand (10,000) Athletes. It must also involve a true collaboration between rider and Horse at an advanced standard of training, respect the classical equestrian ideas, exemplify the FEI standards of sportsmanship and fully respect the Horse's welfare.
6. FEI Statutes, GRs, and Sport Rules apply to International Events and/or Competitions as laid down in Chapter I.
7. Responsibilities of NFs:
 - 7.1. to ensure that the Welfare of the Horse is paramount and that it is never subordinated to competitive or commercial influence.
 - 7.2. to ensure that all clubs and societies affiliated to NFs and all OCs abide by the GRs and Sport Rules when organising International Events or Competitions.
 - 7.3. to ensure the implementation by OCs, of the Statutes, GRs and Sport Rules, and to be responsible for ensuring the payment of prize money in instances in which an agreement has been entered into by and among the FEI, the NF and the OC. OCs shall take measures as may be necessary to cover their financial and legal liabilities, such as guaranteeing the prize money.
 - 7.4. to ensure that any Event is correctly managed by OCs, and to ensure the implementation of draft schedules approved by the FEI.

CHAPTER I - EVENTS AND COMPETITIONS

Article 101 - National Events (CN)

1. A National Event (CN) is limited to national Athletes who shall take part according to the regulations of their NF. Foreign Athletes may only take part under paragraphs 2 and 3 below or under Article 119- .
2. Individual foreign Athletes, other than "Athletes Living Outside their Country of Nationality" (Article 119.6), may take part in CNs provided they have obtained written permission from their own NF and from the NF of the OC concerned. Permission must state the exact period for which it has been granted and the home NF of individual foreign Athletes shall indicate their level in writing so that they are entered in Events of appropriate level.
3. Not counting "Athletes Living Outside their Country of Nationality" (Article 119.6), the number of foreign Athletes who may take part at a CN shall, subject to the appropriate laws if applicable, be as specified in the relevant Sport Rules. However, a CN which allows more than fifteen (15) foreign Athletes or more than four (4) different NFs to take part in the Event is considered to be a CI with the following implications:
 - (i) organising fees are due for a CI of the relevant Discipline and category in accordance with the Sport Rules;
 - (ii) results of CNs considered as CIs under the provisions of this Article do not count for any qualification or ranking purposes, unless the FEI has given its prior written approval.
4. Unless otherwise specified in the Sport Rules, special promotional, border and riding club Events which are of a low level and offer no or nominal prize money may be organised under the rules for CNs of the host NF with Athletes from up to four (4) NFs.
5. All other Events in which foreign Athletes may take part must be classified as CIs.

Article 102 - International Events (CI)

1. An International Event (CI) must be organised under the FEI Statutes, GRs and Sport Rules, including any specific invitation rules that may be established by the relevant Technical Committee and may be open to Athletes of all NFs.
2. CIs are primarily for individual Athletes. However, Competitions for national or otherwise named teams of not more than four (4) members may be organised, but they may never be described as "Nations' Cups".
3. All Athletes invited or nominated for an International Event must be entered by their NFs. All foreign Athletes selected by their NFs, in accordance with the relevant Sport Rules and as specified in the schedule, must be accepted by the OC. OCs shall not accept any other entries.
4. Schedules for CIs must state the total number of foreign Athletes and Horses which are invited.
5. Consideration should be given to inviting Athletes from regions other than the region where the CI is held.
6. CIs shall be classified according to the amount of prize money offered and/or to other criteria established by the relevant Technical Committee, and approved by the Bureau.

Article 103 - Official International Events (CIO)

1. An Official International Event (CIO) is an Event to which NFs are invited to send selected representative individuals and teams, and must be organised under the FEI Statutes, GRs and Sport Rules.
2. CIOs must include the official Competition for individuals and teams according to the Sport Rules of the relevant Discipline.
3. In Europe, each NF may only organise one CIO for Seniors in any Discipline in any calendar year, unless otherwise decided by the Bureau.

3.1. FEI Regional Championships (such as Mediterranean, Balkan, Danube, etc.) may be organised for any Discipline, provided there are at least two (2) NFs participating.

3.2. FEI Regional Championships may take place every year and are open to NFs outside the group by invitation.

3.3. OCs may choose the programme and may include any form of Competition provided for in the Sport Rules.

4. GENERAL PROVISIONS:

4.1. The composition of teams and the number of individual Athletes authorised to take part in FEI championships are laid down in the relevant Sport Rules.

4.2. Under no circumstances may the OC limit the number of entries of eligible Athletes or teams for any FEI Championship. The Bureau may limit the number of entries if deemed necessary.

Article 108 - Titles of Competitions

1. At CIMs (see Appendix E), the title of Competitions may not include the name of any country or International region.

At other CIs, the name of the respective nation or country may, with Approval of the relevant NF, be used for the title of one (1) Competition. At CIOs, the same provision applies to one (1) Competition in each Discipline.

Following the Approval of the calendar each year, the FEI Headquarters shall send through the relevant NFs a check list for the schedule to all OCs of CIMs, CIs, CIOs, FEI Championships and Games, as listed in the approved Official Calendar for the next year. The OCs must return the forms completed

in an official language to their NF. The NF must then check and correct the forms for any errors in relation to the FEI Statutes, GRs, and Sport Rules before they send them to the FEI Headquarters for final Approval no later than sixteen (16) weeks before the Event takes place. Any subsequent changes must be brought to the attention of, and approved by, the Secretary General. Changes must be notified to the NFs concerned by the quickest possible means.

Article 113 - Registration of Athletes and Horses

1. All Athletes and Horses must be registered with the FEI, unless otherwise specified by the Sport Rules and with their own or, where appropriate, their host NF before they can be permitted to take part in an International Event. (See also Article 119- Sport Nationality Status of Athletes and Chapter V Horses).
2. NFs are responsible for registering all Athletes and Horses and shall ensure that such Athletes have the appropriate corresponding sport nationality.
3. Any Athlete and/or any Horse who is not registered with the FEI shall be automatically disqualified.

Article 114 - Horse Identification

1. The OC shall give an identification number to each of the participating Horses.
2. The identification number must be worn during the whole Event at all times when the Horse is out of the Event stables.

Article 115 - Invitations

1. Invitations for individual Athletes to take part in CIs and CIOs must be sent to the NFs of the Athletes concerned. Invitations from OCs must be sent to the NFs of the Athletes concerned. Invitations must include copies of the schedule. The percentage of Athletes personally invited by OCs shall be specified in the Sport Rules for the specific Disciplines.
2. Invitations to take part in CIOs may only be sent from the host NF directly to other NFs and must stipulate the number of Athletes and Horses that may be included in the official team and the number of individual entries that can be accepted.
3. At CIOs the number of invited NFs may be limited according to the schedule of the Event as approved by the FEI and the Sport Rules of the relevant Discipline.
4. Unless the relevant Sport Rules provide otherwise, the announcement of the approved date and place of a Championship automatically counts as an invitation to all NFs eligible to participate. Intentions to participate must be sent to the host NF as soon as possible.
5. All Athletes taking part in CIOs, CIs, Series, FEI Championships and Games must be given the same allowances and conditions. If similar accommodation facilities are not available for all Athletes and their Horses, allocation shall be decided by a draw.

Article 116 - Entries

1. Entries for each Discipline shall be regulated in each relevant Sport Rules, except for any Championship with more than one (1) Discipline and for the FEI World Equestrian Games where this Article shall apply.

2. All Athletes invited or nominated for an International Event must be entered by their NFs. All foreign Athletes selected by their NFs, in accordance with the relevant Sport Rules and as specified in the Schedule, must be accepted by the OC. OCs may not accept any other entries.

3. NFs are responsible for selecting and entering qualified Horses and Athletes. This includes the fitness and capability of the Horses and the Athletes to participate in the Competitions for which they are entered.

4. Entries for any Championship with more than one (1) Discipline and for the FEI World Equestrian Games shall be made following the compulsory three (3) phases outlined under paragraph 4.1, 4.2 and 4.3 below:

4.1. Entries in principle

must reach the OC at least eight (8) weeks before the Event is due to begin. Entry in principle means that an NF has the definite intention of sending Athletes to participate in the Event.

It must state whether the intention is to send only a team or a team and individuals or only individuals.

4.2. Nominated Entries

must reach the OC at least four (4) weeks before the Event and must include a list of the names of Athletes and Horses from which the Definite Entries and any substitutions will be chosen and state the number of Athletes and Horses which the NF intends to send. The number of Nominated Entries of Athletes and Horses must not exceed twice the number invited in the Schedule or prescribed by the Sport Rules. Once the Nominated Entries have been sent in, NFs may send fewer Athletes and/or Horses but never more than the number of Nominated Entries. NFs which are not represented after having made Nominated Entries and whose excuse is not acceptable to the OC shall be reported by the OC to the Secretary General for consideration of their excuse by the FEI Tribunal.

4.3. Definite Entries

Must reach the OC at the latest four (4) days preceding the beginning of the Event. These represent the final selection of Athletes and Horses that will travel to the Event. The Definite Entries may not exceed the number listed and must be chosen from the list of names on the Nominated Entries. After the Definite Entries have been sent in, substitutions of Athletes and/or Horses may only be made with the express permission of the OC.

5. Entry forms for Horses must include the name/names, breed, sex, age, colour, country of birth, present nationality and passport number, FEI registration number and, where appropriate, qualifications.

6. Should an NF send more Athletes and/or Horses than shown in the Nominated Entry the OC is not obliged to accommodate them or to allow them to participate in that Event even if the Sport Rules and schedule would allow such participation.

7. At an Event, an Athlete may withdraw any or all his Horses from a competition, but he may not add a Horse not previously entered for that competition without the approval of the OC and the Ground Jury.

8. Where an NF has made a Nominated Entry of a team and finds that it will be unable to send a team, it must immediately inform the OC.

9. Teams or individual Athletes who have been definitely entered by their NFs at any Event and fail to take part without valid excuse must be reported by the Foreign Judge/Technical Delegate to the Secretary General for consideration by the FEI Tribunal. Competing at another Event staged at the same time does not constitute a valid excuse for failure to participate at an Event.

10. An NF cannot make Definite Entries for the same Athlete/Horse combinations to more than one OC on penalty of disqualification of such Athlete/Horse combinations from the Event where they eventually participate.

Article 117 - Selection of Representative Teams and Individuals

1. NFs have the final responsibility for the selection of all Athletes and Horses to participate in any International Event or to represent their countries at CIOs, FEI Championships, FEI Regional, Olympic Games, and Paralympic Games provided that the Athletes and Horses are qualified in all respects under the conditions laid down for each Event.

2. Only Horses and Athletes in possession of approved Certificates of Capability may be entered for FEI World Championships and Olympic Games, (Appendix C) in accordance with the appropriate Sport Rules and Olympic Regulations.

3. Only Athletes properly licensed by NFs may be accepted as entries for CIs.

4. Athletes whose NF has been suspended or expelled may not be accepted as entries for any International Event, or national Event outside their country, during the period of the Suspension or expulsion.

5. No Athlete may take part "hors concours" in any International Competition unless otherwise specified by the Sport Rules of the relevant Discipline.

6. No Athlete may be accepted as an entry for any International Event under any other name than that appearing on his licence.

Article 118 - Person Responsible

1. The Person Responsible for a Horse has legal responsibility for that Horse, including responsibility under the GRs and the VRs and unless otherwise stated is liable under the Legal System (Chapter VIII).

2. It is the obligation of the Person Responsible and of every other person subject to the Statutes, GRs and Sport Rules to know the Statutes, GRs and relevant Sport Rules, and lack of such knowledge does not relieve these persons from liabilities under the Statutes, GRs and Sport Rules.

3. The Person Responsible shall be the Athlete who rides or drives the Horse during an Event, but the Owner and other support personnel including but not limited to grooms and veterinarians may be regarded as additional Persons Responsible if they are present at the Event or have made a relevant Decision about the Horse. In vaulting, the lunger shall be an additional Person Responsible.

4. Athlete under 18 years of age:

- 4.1. If the Athlete is under 18 years of age when the entry is submitted, the NF or Chef d'Equipe must nominate a representative for the Athlete.
- 4.2. The representative may be a parent of the Athlete, the Chef d'Equipe, the team coach, the team veterinarian, the Owner or some other responsible adult and shall be communicated to the OC and the NF with the entry.
- 4.3. If the NF and Chef d'Equipe fail to nominate the representative, either parent of the Athlete may be considered as the representative.
- 4.4. The minor Athlete shall remain the Person Responsible.
- 4.5. The representative may represent the minor Person Responsible in all dealings with the OC, the NFs and the FEI Officials, including, but not limited to, witnessing the medication process.
- 4.6. When the representative is from another NF than the Person Responsible's, all communications shall take place through the Person Responsible's NF.
5. The Person Responsible, together with the Chef d'Equipe if present, is responsible for the condition, fitness and management and for declaring or scratching of each and every Horse under his jurisdiction.
6. The Person Responsible is responsible for any act performed in the stables to any Horse under his jurisdiction, by himself or by any other person with access to the Horse, and is responsible while riding, driving or exercising any Horse under his jurisdiction. The Person Responsible is not relieved from such responsibility as a result of the lack or insufficiency of stable security.
7. If, for any reason, the Person Responsible is unable or is prevented from caring for the Horses under his jurisdiction he must immediately notify the Secretary of the OC and the Veterinary Commission.

Article 119- Sport Nationality Status of Athletes

1. General principles:

1.1 The NF of a country where an Athlete has his nationality is his "own" NF. Proof of nationality is necessary for an Athlete to compete for a country.

1.2 Except as provided in paragraphs 4, 5, 6.2, and 6.3, an Athlete may only compete, at International Events, for his "own NF", as defined in paragraph 1.1.

2. Sport nationality and sport nationality changes: Adult Athletes

2.1 An Athlete who is a national of more than one (1) country must decide as of the age of (eighteen) 18 years which of his countries of nationality will be his own NF for international competition purposes. Thereafter, subject to paragraph 2.2.1, he can only represent that NF in international competition. Further changes to his sport nationality can only be accomplished through a sport nationality change process, subject to the conditions outlined in this paragraph 2.

2.2 Sport nationality changes:

2.2.1 Basic requirement: an Adult Athlete who becomes the national of more than one (1) country and wishes to compete for his new country of nationality may apply for a sport nationality change to the FEI, provided he has acquired his new nationality by 31st December of the preceding year.

2.2.2 Additional requirements prior to participation in FEI Championships, FEI World Cup™ Series, FEI Super League Series, and FEI Nations Cup Series:

- (i) Subject to the exceptions set forth in paragraph 2.2.3 below, the Athlete must have had legal residence in his new country prior to the

first competition he wishes to compete in under his new sport nationality, for *either*: (a) a minimum of two (2) uninterrupted years ; or (b) a total of five (5) years of non-consecutive periods.

(ii) The Athlete shall not have taken part in any of the competitions set forth in Article 2.2.2. above for his previous NF in the two (2) years prior to the first competition he wishes to compete in under his new sport nationality.

2.2.3 The residency requirement set out in paragraph 2.2.2 (i) shall be mandatory, except where the Athlete can establish one of the following:

(i) the Athlete's entitlement to his new nationality was established by his birth in that country;

(ii) The Athlete's entitlement to his new nationality was established by one of his biological parents being born in that country;

(iii) the naturalized Athlete was a former national whose loss of nationality was neither voluntary or due to criminal acts; or

(iv) the naturalized Athlete had to renounce his former nationality as a condition of acquiring a new one

2.2.4 Where the naturalized Athlete can establish that he is legally married to a national of the new country of nationality, the residency requirement set out in paragraph 2.2.2 (i) shall be reduced to one (1) year of uninterrupted legal residence or three (3) years of non-consecutive periods of legal residence.

2.2.5 An application for an Athlete's change of sport nationality must be filed with the FEI Secretary General, through his new NF, stating the reason for the change and supported by the Athlete's passport or equivalent document for the new country that he wishes to represent. The FEI must inform the current NF that a request for change of sport nationality has been filed.

2.2.6 An Athlete shall only be entitled to compete for his new NF once the FEI has given its written approval of the change in sport nationality.

2.2.7 In special and exceptional circumstances, the FEI has the discretion to grant exceptions, with the agreement of the NFs concerned.

2.2.8 Participation in the Olympic and Paralympic Games is also subject to Olympic and Paralympic Regulations (Bye-law to Rule 42, Olympic Charter).

3. Sport nationality and sport nationality changes: Minor Athletes

3.1 A Minor Athlete who is a citizen of more than one country can choose each calendar year which NF he wants to represent.

3.2 A Minor Athlete may subsequently change his NF (only once per calendar year). Such change of NF is subject to the previous NF's, the new NF's and the FEI's approvals if the Minor Athlete has already participated in an international event for another NF since 1 January of that calendar year.

3.3 As of the Minor Athlete's 18th birthday, paragraph 2 above applies. At such time, the Athlete will register with the chosen NF who will, in turn, register the Athlete with the FEI.

4. If an associate state, province or overseas department, a country or a colony acquires independence; if a country becomes incorporated within another country by reason of a change of border; or if a new NF is recognized by the FEI, an Athlete may continue to represent the country to which he belongs or belonged if that country continues to have an NOC. However, he may, if he prefers, choose to represent his new NF. This particular choice must receive the Approval of the FEI and may be made only once.

5. An Athlete Living outside his country of nationality who: (i) loses his nationality; (ii) becomes a refugee; or (iii) whose home country does not

have an NF which is a member of the FEI, can compete internationally as if he were a national of the host country in all International Events including Championships, until such time as his home country has an NF which is a member of the FEI.

6. Athletes Living outside their country of nationality:

6.1 An Adult Athlete Living outside his country of nationality can have his entries processed by his "host-NF" for participation in CNs, CIMs as well as CIs if he is given permission of his own NF and the FEI. The Athlete, while keeping his own NF, comes under the jurisdiction of the host NF for the above-mentioned Events and must take part according to the relevant Sport Rules. This administrative facility is not a change of sport nationality. The Athlete will in all circumstances keep his "own NF", and always compete under its flag.

6.2 A Minor Athlete may compete for his country of residence in the following Events, and regardless of the country where the Event is organized: CIs for Pony Riders, Junior Riders and Young Riders (which excludes CIOs and Championships), and senior CIMs as defined in Appendix E, GRs. In such circumstances, the Athlete will be compelled to inform his "own NF" as well as the FEI.

6.3 A Minor Athlete who has always competed for his country of residence and not his own NF, may apply to the FEI to establish his country of residence as his own NF once he turns 18, even though he is not a national of such country, only if: (i) he has never competed under the flag of his own NF; (ii) the country of residence, in the FEI's opinion, qualifies as a country where obtaining nationality is overly burdensome; (iii) the Minor Athlete has a valid identity card or residence permit for the country of residence, or other equivalent document; and (iii) the Minor Athlete has been a resident of the country of residence for at least the last five (5) consecutive years. The FEI shall have sole discretion to grant or deny an application presented under this provision, weighing the best interests of equestrian sport against the best interests of the Minor Athlete.

Article 120 - Chefs D'equipe

1. NFs must appoint a Chef d'Equipe if they have three (3) or more Athletes taking part in CIOs, FEI Championships or FEI Regional or Olympic Games or Paralympic Games. If only individual Athletes are entered, or no separate Chef d'Equipe is appointed, NFs must nominate one of the Athletes to act as Chef d'Equipe.

2. It is recommended that Chefs d'Equipe be appointed for CIs.

3. Chefs d'Equipe must attend all technical meetings organised for them in relation to the Event.

4.2. The declaration and the scratching of Athletes and Horses entered for the Competitions at CIOs, FEI Championships, FEI Regional, Olympic Games and Paralympic Games, and at CIs if appointed.

4.3. The general management, fitness and behaviour of Athletes, especially those under the age of 18. In the case of Athletes under the age of 18, the Chefs d'Equipe are responsible for the behaviour of both their teams and

individuals for the entire duration of the Event and are obliged to stay with their teams and individuals.

4.4. Notifying the OC which Athletes and Horses have been selected to start in team Competitions.

5. The Chef d'Equipe may change the Athletes and Horses within the selected team but he cannot add or substitute any member and/or Horse of the official team by an individual Athlete and/or Horse entered in that Event but not selected for the team, except in cases of accident or illness as per Article 121.3 (unless the requirements of a Certificate of Capability prevent this change, see FEI World Championships, Olympic Games).

6. Chefs d'Equipe are not allowed to perform any other official functions at an Event.

7. A Chef d'Equipe or his NF may appoint a deputy to attend meetings or perform other functions, but the deputy, unless otherwise qualified, shall not be entitled to any of the rights conferred on Chefs d'Equipe by Article 131.

Article 121 - Declaration of Starters

1. Chefs d'Equipe must declare the entries for the official team Competition and the names of individual Athletes, by the time laid down by the OC in accordance with the Sport Rules.

2. If NFs enter more Athletes and Horses than the number allowed in the official team, the Chef d'Equipe must designate the Athletes and Horses selected for the official team at the latest following the first Horse inspection, unless otherwise specified in the relevant Sport Rules for each Discipline.

3. In case of accident or illness of a team member and/or Horse nominated for a team Competition, such individual Athlete and/or Horse entered in that Event may be substituted. This must be announced by the Chef d'Equipe at the latest one hour before the start of the relevant Competition. The Athlete/Horse being withdrawn cannot then take part in any other Competition in that Event.

2. The President or a member of the Jury shall acknowledge all salutes.

3. Athletes must be properly dressed when appearing before spectators.

4. Registration of Colours:

4.1. Special colours or colouring of parts of the uniform to be worn at Competitions in accordance with the Sport Rules of the relevant Discipline are subject to approval by the relevant Technical Committee.

4.2. Special colours or colouring of parts of the uniform may only be registered by NFs with the FEI in order to retain exclusivity of use in favour of the applicant on the following conditions:

(i) An application for registration will be accepted by the FEI at any time during the year. The accepted registration will be valid for five years inclusive

of the year the application is accepted. The date and time of receipt of the application will establish the order of priority of registration.

(ii) Black, red, navy and green jackets with collars of the same colour cannot be registered.

(iii) Colours already widely used by NFs which are not registered will not be accepted for registration by a third party unless they have been out of use for one year.

(iv) Colours must be in accordance with the Sport Rules of the Discipline concerned.

(v) Colours registered for five years will be automatically re-registered unless such registration is cancelled in writing before 31st December of the fifth year of the prior registration.

(vi) Colours registered in accordance with these rules can only be worn by those persons authorised to do so by the NF in possession of the registration.

4.3. Disputes about colours are to be referred to the Secretary General whose Decision is final.

Article 123 -Olympic and Regional Games under the Patronage of the IOC, and Paralympic Games under the patronage of the IPC

1. Only Athletes who satisfy the conditions laid down in the GRs, the Olympic Regulations, and the Olympic Charter and its Bylaws may be entered for the Olympic and Regional Games under the patronage of the IOC (see Appendix B). Any person who has not paid a fine within thirty (30) days of receiving a demand for payment will be automatically suspended until the fine is paid. If fines are inadvertently paid to the OC or any other person such fines shall be remitted to the FEI.
