

Important information

British Young Drivers – Indoor marathon clinic 21-22 March 2008

Unicorn Trust, Stow on the Wold, Glos. GL54

Please see the provisional program; it is the timings that are provisional rather than the content. This week end is open to all young drivers not only those interested in going to the Junior World Trophy competition in Austria in 2008. If you are planning to go to the Indoor Championships at Keysoe this will be a good chance to improve your cones and obstacle skills.

Arrival: You are welcome to arrive either on Thursday evening or Friday morning. Please indicate the day and time on your booking form.

Passports/ vaccination records: Do not forget to bring your pony/horse passports and vaccination records as these will be checked over the course of the week end. Unicorn Trust will not allow horses without up to date vaccination records to remain on site.

Shavings: in order to keep the stables clean everyone is allocated half a bale of shavings per stable (please use it so that the stables do not have to be power washed after you leave), if you require extra shavings please order it on the booking form.

Friday morning: Please arrive promptly for the course walk at 11.00am. There will **not** be time to walk it in between competitors. You will be allocated a time slot in the warm up area 20-30 minutes before your turn to drive the course, please stick to the timetable. No time is allocated for a lunch break, please bring lunch with you.

If you are not driving, backstepping, or looking after your pony make sure you come back to the arena and watch the other drivers, alternatively you may be asked to steward for some of the time.

Your indoor marathon round will be videoed and these recordings will be used in the afternoon session to discuss tactics and skills.

Friday afternoon: In groups you will have a chance to discuss and analyse your own performance and that of the rest of your group.

Friday evening: Team building session with Rosemary Neale. This is an active, fun session to help get everyone thinking and working in a team.

Saturday morning: as Friday morning

Saturday afternoon: Austria update – hopefully we will have rules and dressage tests by then.

Any queries please email me or ring 01752 830221 after 7.30pm
